

# WALTON CHURCHES PARTNERSHIP *supporting*

## THE GREAT BIG GREEN WEEK

Saturday 18th Sept to Sunday 26th Sept

### Recycling, Reusing and Reducing

Help us fill our recycling bins with some hard to recycle items : **empty bread bags, crisp packets, old toothbrushes and empty toothpaste tubes, corks and milk bottle tops.** We'll also have loads of fascinating info on how small and achievable changes can make a big difference – and invite you to make a 'One Small Change' pledge.

We aim to be open for recycling donations and info every weekday morning during GBGW between 9-10am – and also at other times during the week.

Please check on our Facebook page [www.facebook.com/CtKKentsHill](http://www.facebook.com/CtKKentsHill) or on our website [www.christthekingchurchmk.co.uk/community-church/](http://www.christthekingchurchmk.co.uk/community-church/) for more info and times.
